

TRAFFIC MANAGEMENT PLAN

Control of traffic and operational hazards

- 1 **Speed limit 20 km/h.** This speed allows drivers time to react if necessary.
- 2 Vehicles must obey all road signs and use marked road routes wherever possible.
- 3 Vehicle head lights and, amber roof lights must be activated when driving in the log yard (Matawhero).
- 6 **All** pedestrians in areas that are operational must wear hard hats and high visibility clothing. Hi viz must be reflective type when operating in dark hours
7. Do not drive or proceed through areas which have been barricaded off with cones, barriers or rope.
8. Obey safety signs and verbal safety instructions from Eastland Port staff at all times.
9. No child under 16 years will be permitted entry to the Matawhero log yard unless the Chief Operating Officer has given express approval in writing.
