Dear Sally,

Re: Matawhero Logyard Cell 3 bore monitoring: Consent - DL-2018-108538-00

Please see below the results of the monitoring undertaken on 29/04/2020 as required by conditions 10 – 28 of consent DL-2018-108538-00.

All recorded parameters were below consent trigger limits.

Kind Regards,

Christine Oakey
Senior Environmental Management Consultant
4Sight Consulting Ltd
